Manufacturer and GPO Community:

ABC has elected to declare Vizient/Provista as our primary group purchasing organization (GPO) as of today. In addition, ABC would like to be removed from our current buying group and placed under Savings Squared Medical and make this change effective immediately. Please allow Savings Squared Medical to implement and manage our GPO contracts.

This entitles ABC, and its sites, to all pricing and terms available under Vizient contracts.

Thank you for your support.

Sincerely,
